## Dale Hollow Lake seeks shutterbugs for photo contest

**CELINA, Tenn. (July 26, 2011)** — The Corps of Engineers at Dale Hollow Lake invites visitors to enter their pictures in its quarterly photo contest! Entrants whose photos are selected will receive two nights camping on Dale Hollow Lake.

While enjoying the lake, people are encouraged to keep their camera handy to capture the fun and memories of their visit, the beauty only Dale Hollow can offer. Photos that show why visitors love it at the lake are wanted!

“This photo contest is a fun way for the Corps of Engineers to interact with the visitors to Dale Hollow Lake and to see the recreation, scenery and activities ongoing on the lake and in our recreation areas,” said Stephen Beason, resource manager at Dale Hollow Lake. “Pretty much everyone has a digital camera these days, so I’m excited to see the entries that we get.”

Some notable rules of the contest are photographs containing nudity, obscenity, profanity, pornography, violence, and anything that is lewd or offensive in nature, or otherwise inappropriate images will be excluded from the contest. The U.S. Government reserves the right at its sole discretion to reject and disqualify any images that are considered inappropriate or depicting unsafe activities. Also, no alteration or manipulation of photographs is permitted except for cropping, red eye removal, and/or adjustment of contrast and brightness. Submit digital photographs and see the complete list of Contest Rules at <http://www.lrn.usace.army.mil/op/DAL/rec/contest.htm>.

Employees of the U.S. Army Corps of Engineers or any other agency or organization affiliated with the contest, and their immediate family members (spouses, parents, children, siblings, grandparents etc.) and persons living in the same household of each, are not eligible to participate in the contest. Photographers who derive 5 percent or more of their income from taking photographs are also ineligible.

Concerns or questions about the photo contest can be addressed to Ranger Sondra Carmen at (931) 243-3136.
